6 Bedrooms | 5 Reception Rooms | 4 Bathrooms | N/A EPC

Early nineteenth century Regency style villa set in approaching an acre of formal gardens. Commissioned by influential British painter JMW Turner in 1835, this historic property has a late 19th century extension and has been sympathetically refurbished by the current owners. Immaculate living space of 5,492 sq. ft. is spread over two floors, and the enclosed garden is mainly laid to lawn.
